

Love and Logic Solution:

Guidelines for Sharing Control Through Choices

Love and Logic Rules for Choices

- Never give a choice on an issue that might cause a problem for you or for anyone else.
- For each choice, give only two options, each of which will be OK with you.
- If the child doesn't decide in ten seconds, decide for him or her.
- Only give choices that fit with your value system.

Some Love and Logic examples of little choices

- Would you like to wear your coat or carry it?
- Are you going to clean the garage or mow the lawn this week?
- Will you have these chores done tomorrow? Or do you need an extra day to get them finished?
- Are you having peas or carrots as your vegetable tonight?
- Are you going to bed now? Or would you like to wait 15 minutes?
- Can you stay with us and stop that, or do you need to leave for a while and come back when you are sweet?
- Are you going to put your pajamas on first or brush your teeth first?
- Will you be home at 10:00? Or do you need an extra half hour with your friends?
- Are you guys going to stop bickering? Or would you rather pay me for having to hear it?
