Prince of Peace Lutheran School - SCHOOL DAILY PRACTICES

|	WHEN AT HOME / BEFORE SCHOOL	
Before leaving for school		• Complete the **Daily Health Check** **BEFORE** you leave for school
Stay Home when sick		• If you answer YES to questions, **please stay home and follow the directives on the Daily Health checklist**
	WHEN AT SCHOOL	
Hand Hygiene		• Use hand sanitizer and clean hands when entering/exiting the building • Routinely wash or sanitize hands as a regular part of hand hygiene • Use hand sanitizer when putting on and taking off masks • Sanitizer dispensers/stations are at the entrance of all rooms/learning spaces
Masks		• A non-medical face mask is required for students, staff, and visitors • Students may remove their mask only when seated in the classroom and facing forward, consuming food or drink, or participating in physical exercise, band, or arts performances • Masks are not required outdoors • While riding the bus, masks must be worn by all students, drivers and volunteers/guests at all times
Distancing		• Where possible, physical distancing will be maximized up to 2 meters • Cohorts of classes are grouped for entry/exit and recess/breaks • Student desks are arranged to be distanced as far as possible and not facing one another • Follow the directional markings indicated in hallways and stairwells • Move swiftly in hallways, staying to one side
Respiratory Etiquette		• Sneeze into your elbow • Discard used tissues immediately • Wash/sanitize hands before touching anything
Regular Cleaning		• In rare instances where desks/tables are used by multiple people per day, they will be cleaned and disinfected by individuals as they leave the space • Regular cleaning and disinfecting of high touch surfaces will continue to be done daily • Daily electrostatic spraying will occur after school daily
Ventilation		• Open windows and doors when possible • Use outside spaces when possible School/RVS Maintenance Staff • Ventilation systems maintained according to manufacturer recommendations • Enhanced filters installed and replacement filters when needed upon inspection

For a complete listing of operational protocols, see the **RVS 2021/22 Operational Plan**
