**The Transportation Team in Rocky View Schools (RVS) extends well wishes to all families in staying safe and healthy during this unprecedented time.**

You are receiving this information because your family resides outside of the Rocky View Schools (RVS) boundary, and the 2019/2020 school year, at least one person in your family was assigned to bus service to a school within the RVS boundary. If/when transportation services resume in the 2020/2021 school year, the following guidelines will apply to Non-Resident students requesting Out of Division transportation services to attend Rocky View Schools (RVS):

- There will be no bus stops in Calgary **except** existing bus stops to Prince of Peace school.
- Transportation will only be provided for students accessing existing community bus stops within the RVS boundary.
- Families located outside of the RVS boundary must first apply and obtain approval from the school the student(s) choose to attend.
- Families must then submit their application to request transportation services including full payment to [transportation@rockyview.ab.ca](mailto:transportation@rockyview.ab.ca) **after July 1, 2020**.
- The transportation application has been included in this email for your convenience. For more information on transportation fees in the 2020/2021 school year, please visit our website at: <https://www.rockyview.ab.ca/schools/schoolfees>.
- RVS' transportation team will review the application to determine if there is room on the bus that goes to the school in which the student is registered.
- If the transportation application is approved, the student(s) must access an existing community bus stop within the school boundary.

### **Out of Division Students Who Choose to Attend Prince of Peace School:**

1. Students who are currently enrolled in Prince of Peace school with a pick-up in Calgary will be able to access existing bus stops allocated for transportation to this school.
2. If students choose to continue transportation services from Calgary area to Prince of Peace school, they need to send the transportation application **after July 1, 2020** including a payment of **\$2000.00 per student** to: [transportation@rockyview.ab.ca](mailto:transportation@rockyview.ab.ca)
3. Students who choose to access an existing bus stop to Prince of Peace school (within RVS boundary) must submit a transportation application form including a payment of **\$700.00 per student** to: [transportation@rockyview.ab.ca](mailto:transportation@rockyview.ab.ca)

Sincerely,

**The Transportation Team, Rocky View Schools**
