

# PRINCE OF PEACE SCHOOL

GOALS

2020 - 2021 Workbook Highlights

## WORKING WELL

- Strong community
- Safe and caring school
- Inclusive learning environment where all feel valued & supported
- Relevant, meaningful, and enjoyable learning
- Quick adaptation & transition through various challenges

## WORKING ON

- Transparent communication of learning
- Access to supports & resources
- Increased voice in decisions & choice when learning
- Narrowing our focus for depth over breadth
- Elevating Numeracy as we have with Literacy

## SAFE AND CARING SCHOOL

Continuing to focus on positive relationships and individual needs of all students, demonstrating deep care and creating a nurturing environment

Expanding scope of tools and strategies for mental health - Mind Up training and intensified social & emotional supports for students

Meaningful integration of Christian worldview into daily practice

## CULTURE OF INCLUSION

Nurturing positive relationships to affirm diverse strengths, talents, & passions so students feel belonging and meaningful representation

Consistent classroom practices and the creation of a learner toolkit (list of tools and strategies) for every student to access anywhere, any time

## MAKING LEARNING VISIBLE

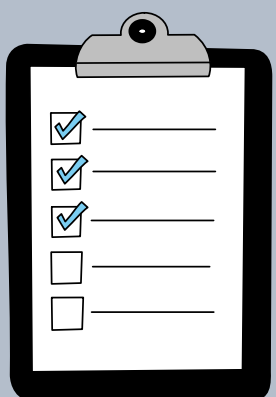

Co-creating assessment tools with students (eg. "I Can" statements)

Leveraging digital tools to showcase learning (MyBlueprint & Real-time Reporting through PowerSchool)

Providing detailed and frequent feedback about student progress and achievement

## INSTRUCTION AND ASSESSMENT

Enhancing real-world connection and open-ended inquiry through the design-thinking process

Equipping students to make connections between learning experiences, assessment, and achievement to identify their strengths and areas for growth

Increasing opportunities for student reflection on their understanding prior to, during, and following learning

FEAR NOT, FOR I HAVE REDEEMED YOU; I HAVE CALLED YOU BY NAME, YOU ARE MINE
